

BBA PRACTICE GROUP CHANGE FORM

BBA is proud to be able to offer a variety of program options to help accommodate as many families and their individual swimmers as possible. In order to continue to do this, it is a BBA policy to track swimmers' attendance. **A swimmer may change practice groups only if the coach makes a recommendation and the desired group is not full.** Once the change is approved, a practice group change form must be completed and mailed to:

Murry Pierce
1544 Bates
Birmingham, MI 48009
(248) 647-8972

If additional fees are owed, you will receive a bill for that amount.

We appreciate your cooperation.
