**JO Meet Entry Instruction:**

Please read the meet packet posted on BBA website carefully, there is a lot of information including time trial events. You can submit the entry in Direct Athletics **EARLY, you can change your entries anytime before 9 pm, 02/15/10 (Monday).**

Problem accessing Direct Athletics or meet entry questions please contact Chi at [chiyang2@gmail.com](mailto:chiyang2@gmail.com) or call (248)649-3944 before meet entry due. We are now in the championship meets; late entries and entries without payment will not be accepted.

**Important Information:**

**You must have Q2 time to enter in JO.**

**You only need to declare your entry events, you CANNOT enter seed time. I have all swimmers best time up to date in our database. If you declare an event in DA but I do not have your qualifying time in the system, I will remove that event.**

Entries will be posted on-line on Tuesday, Feb 16<sup>th</sup>. If you find any discrepancy in your event seed time entered, please contact Chi ASAP.

**Age Up Exception:**

All swimmers who "age up" after the first day of JOs (on or after March 5, 2010) and before their respective state meets and who don't have a Q1 time in their new (State Meet) age group may enter a particular event in their current age group at JO's at a seed time at **or faster** than their current age group's Q1 time standard. **All of these entries must be entered as Exhibition swims.** This additional entry option is intended to allow all swimmers an opportunity to qualify for the State Meets in their actual State Meet age group. Swimmers who enter an event at JO's under this section are not, however, eligible for awards at JO's in that event. **Please email Chi and let her know you have an "AGE UP" swimmer.**
